For advertised teacher vacancies personal statement and permanent teacher register (PTR) personal statement

Advertised teacher vacancies

The criteria for advertised teacher vacancies as specified within the current Industrial Enterprise Agreement include:

- relationships
- student learning
- curriculum
- safe work practices.

General suggestions for writing the personal statement:

- place your name and ID number on the top of your statement
- the recommended smallest size font for typing your document is Arial 9
- a margin of approximately 1-1½cms is recommended
- consider the layout (1 column or 2) - two columns is generally considered best practice
- align text to both the left and right margins - creating a clean look along each side of the page
- create headings utilising the 4 criteria listed - this assists the panel to locate information
- aim for a consistent tense - past or present
- avoid too much repetition in relation to examples of your teaching practice or particular teaching strategies
- aim to have a site leader or colleague proof read your statement and provide feedback (spelling and grammatical errors and excessive repetition are real turnoffs for panels)
- use examples from your teaching experiences (graduates should include practicum experiences) to show evidence you can do what you say you can do
- consider a 3 part approach to structuring an example of evidence:
 1. What I do?
 2. How I do it?
 3. How I know I am successful?
- state what you do assertively rather than I am aware of (avoid 'passive language').
