

Teacher employment type

Indicate in this section the employment type you are seeking:

- temporary relief (casual) teaching (TRT) only
- temporary and/or permanent (including TRT).

Temporary relief teacher (TRT) only

Teachers who select this option want to be considered for casual TRT work only.

Only tick this box if you do not want to be considered for contract positions.

For information about gaining employment as a TRT, TRT cluster schemes and payment for TRT work, please visit our [website](#).

Temporary and/or permanent teaching (including temporary relief teaching TRT)

Teachers who select this option want to be considered for:

- casual TRT work
- temporary positions/contracts of 20 working days or more
- permanent/ongoing employment as a teacher
- advertised positions for which they may apply.

Permanent and temporary teaching positions are advertised on the department website. Each vacancy has its own application for submission (separate to the employable teacher register application). You will also need to submit a separate application for each advertised position.
