

TRANSITION PROGRAM FOR STUDENTS WITH DISABILITY APPLICATION FORM

The transition program gives eligible students with disability targeted career education, work preparation, work readiness skills, work experience, and industry and employer immersion. The program connects students with disability to the essential connections needed to successfully transition from school to a pathway of meaningful employment and/or further education and training.

Program criteria

This program is for final year students who are:

- Seeking a transition to employment, further education or training
- Enrolled and attending school at a minimum of 70% attendance
- Receiving NDIS supports or seeking to apply for NDIS supports
- Travelling independently or have the capacity to travel independently
- Enrolled in SACE and on track for completion.

Program structure

- Delivery from locations at Noarlunga, Adelaide and Elizabeth
- Programs are delivered by teachers and supported by specialised disability supports
- Attendance 1 day a week up to 40 weeks
- Class sizes with a maximum of 12 students.

Program outcomes

- Students will transition to a pathway of employment, further education, or training
- Students will be connected to industry and employers
- Students will access appropriate work experiences and industry immersion activities
- Students will be provided with recognition of learning to complete SACE.

Complete this form and return it to the student's school. The school will complete a referral form to further the application process.
