School Sport SA day carnivals, in particular, provide an excellent opportunity to assist teachers and students to achieve curriculum requirements, and are able to be shaped by the convenor to maximise these outcomes.

## WE ALSO OFFER:

- Dedicated data and evidence collection events, where schools can utilise leading technology to collect data and/or evidence during authentic competition.
- SACE Community Learning recognition for involvement as coach or official in some of our multi-day events.

If any of these opportunities are of interest to your school, contact us or visit to the new page of our **WEBSITE** to see how school sport can enhance your students' connection to learning.
