School Sport Management Committee

Co-Chairperson's report

The 2023 school year was one of a slightly different landscape for school sport than the previous three years. Finally we were able to get back to some sort of normality and not have events postponed or cancelled, and we didn't have to get creative about how we could run 'virtual events' to ensure we meant social distancing guidelines. What a relief.

With that came another challenge though, catering for the large number of children across SA who wish to be involved in 'Sapsasa' / School Sport SA events! To give you an idea of the challenge, the School Sport SA Office has largely run on the same funding model for staffing since 1998, where 30 sports were played by 60 thousand children, in 192 events across primary and secondary sports, with no provision for inclusive program events. In 2023, almost 146 thousand students (that is the number of times students participated, if one student played five sports we would count that as five) played 44 sports in 1183 events, with 1956 students participating in 14 inclusive program events. The other aspect of school sport in 2023 which wasn't evident in 1998 was student officials, with 3860 students participating as an official in 2023. The growth of sporting opportunities, and student involvement has been extreme. Just the student participation increase from 2022-2023 has increased by 15 thousand students.

It is fair to say that the sport offerings in school across SA rely on so much good will, too much in fact, where we rely on the good will of HPE teachers and teachers in schools, parent volunteers, SSOs, our district convenors and the School Sport Office staff to make all of these events possible for the children of SA. Whilst the good will is recognised in most cases by most people, and appreciated by all those who are aware, this model is not sustainable for our school sport workforce across the board, and our volunteers will no doubt be finding it harder and harder with the current cost of living crisis our nation is experiencing to give up their time. So, thank you to all of our volunteers, and all of our supporters of sport in school staff who always go above and beyond, your contributions are invaluable.

The School Management Committee has continued to have oversight of the offerings and running of events for all school children in SA. It is a pleasure to work with members of the School Sport Office and cross-sectorial convenors from around SA who all have a shared passion for school sport and the different experience we are able to offer so many school children who may not have exposure to these sports within the community.

Once again, our year of school sport was celebrated with the Advertiser School Sport Awards at the Advertiser building (Keith Murdoch House) in the city. The partnership with the Advertiser has been a long and successful one for School Sport SA, and we trust we can continue to rely on their support into the future. These events are always a special night for many young athletes across SA, and it is also intriguing to hear current elite athletes speak about their journey through school sport to the top of their chosen sport. This year we were fortunate enough to have Jess Adamson, Tania Obst (Thunderbirds Coach), Sam Betts (Scorpions/Strikers) and Henry Hunt (Redbacks/Strikers) and hear their stories and recollections of their time in sport.

While school sport is organised in almost every school in SA, and the local teachers and convenors do an amazing job, it would be remiss of me not to mention the outstanding job Jan, Paula and Daniel do in leading this work through the School Sport SA Office. When you think about the logistics of supporting so many events, so many convenors, so many districts, and so many students, the school sport staff do an amazing job. Thank you and congratulations on another great year.

Finally, to all of the children who participated in School Sport SA events throughout 2023, well done. The most important matter is not where you or your team placed, but that you were there and took part. I am constantly thinking about school sport impacts the lives of the students at our school, and the fact that so many children use the statewide schools competition as a come and try day is fantastic. These events allow children to participate in an environment where they feel safe and supported and have the opportunity to enjoy that shared experience with their friends. Community sport allows this too, don't get me wrong, but the environment that school sport provides for children who haven't played organised sport before is truly different.

All the best in your sporting endeavours in 2024, whatever they be, and wherever they be.

School Sport Team Leaders' report

2023, a year without disruptions signifying a return to normalcy and once again opportunities for growth and progress.

Staffing for 2023: Daniel Rankine continued in the STL2 Assistant Team Leader position and Wade Hall, Jared King, Marni Nicholls and Daniel Hornhardt continued as 1.0 STL1 School Sport Officers with David Murray as the 0.4 School Sport Officer. Paula Nielsen (STL3 Team Leader), Sophie Common (ASO4 Senior Site & Communication Officer), Fiona Brennecke (ASO4 Senior Finance Officer) and Matthew Campbell (ASO2 Administration Officer – Program Support) continued in their positions. After 2 years of both Sophie Common and Fiona Brennecke allocated to ASO4 higher duties positions, both positions were finally reclassified to permanent ASO4 positions. This was well deserved.

Andrew Gormlie was appointed to the temporary 2023 1.0 School Sport Officer position which was put in place to support the increase programs with the introduction of year 5s into the primary program when the year 7s went into the high school setting. This was not widely circulated as we could not release any current teachers in schools with the shortages of teaching staff. In April an ASO2 Administration & Finance Support temporary position was advertised with Françoise Maher winning this position. This was initially only a 3-month position with the funding coming from Sport & Water Safety but was extended through to the end of the year. Both positions are essential to the running of our current program with funding needing to be allocated from 2024.

This year funding was made available to all of the country zones convenors to support the year 7s in high school – 8 TRT days each zone. Further to this, new convenors were given 8 days to support their induction into the role.

School Sport SA continues to be grateful to the positive impact and generosity of the ever-increasing time given by the district/zone/regional convenors. They continue to work tirelessly behind the scenes with sports coordinators and teachers in schools to ensure the smooth operation of school sport at all levels. The Professional Learning Committees (PLCs) under the leadership of STL1 staff members continued to promote continuous learning and collaboration between the convenors leading to improved outcomes for students in our schools.

School Sport SA continues to sit within Curriculum Programs with Tracey Davies as the Director. Tracey continues as the chair of the School Sport Committee which met on 4 occasions in 2023.

The main priorities of the committee this year were:

1. Extending the terms of reference to include the President of the South Australian Area Schools' Association (Chris Roberts) and South Australian Special Education Principals' and Leaders' Association (Byron Stuu)
2. Working on the briefing/budget bid for funding for the 'Enhancement of School Sport'.
3. Meeting with CE to promote the role of school sport in schools.
4. Transferring funding from Water Safety to support the need for additional staffing in School Sport

The inclusion of Chris Roberts and Byron Stuu as the Area Schools Principal's Association and South Australian Special Education Principals' and Leaders' Association representatives respectively added further depth and knowledge to the committee. This will ensure we that our decision making is the in best of schools and students across South Australia.

The School Sport Management Committee met on 4 occasions in 2023 managing the strategic direction and day to day activities of SSSA including budget allocation, policy development and decisions on best practice. An area of continued concern is the difficulty in finding finance officers in schools to manage district funds despite paying for their time. Further discussion will need to continue in 2024 to resolve this.

Iain Elliott and Clayton Disley (SSMC co-chairs) have worked hard to advocate for increased funding from the department through their representation on both SAPPA and SASPA respectively. Both are busy leaders in their schools but incredibly supportive of the role that school sport plays in imparting valuable life skills to the students involved. The representation of current convenors and teachers on our committee with school-based knowledge who give readily of their time, is essential to ensure that sport remains relevant and accessible to all schools.

A procurement process was conducted for interstate uniforms during 2023. Sports Centre were successful in winning this tender and we look forward to new designs in 2024. Thank you to Trend Sportswear who has been School Sport SA's supplier for over 20 years.

A SUMMARY OF ACHIEVEMENTS AND KEY ISSUES FOR SCHOOL SPORT IN 2023:

Teaching & Learning:

- Posters explaining the links between SSSA and the Australian curriculum were sent to all HPE coordinators at the beginning of the year. The teaching and learning resources page was uploaded onto our website for use by teachers.
- At the School Sport Australia 12 years and under softball championships hosted in Adelaide students in the Seaton HS softball and baseball academies, as part of their learning program supported the event. The students were exceptional showing great initiative and working hard in challenging circumstances to ensure all matches were completed.
- 9 schools with over 300 students refereed also as part of their learning program over the 2 weeks of the Sapsasa State Football Carnivals held at Football SA Gepps Cross. Football SA in 2024 is looking at providing qualifications so that these students can also referee in the community.
- Through guidance and support from staff in the office, Volleyball SA, SACA, Basketball SA and Tennis SA are working through the process of submitting applications to the SACE board to have their for their coaching and officiating accreditation course approved for recognised community learning.
- SSSA partnered with SAASTA to conduct a Connect Winter carnival with over 100 Year 7-9 indigenous students. The carnival centred on healthy lifestyles, wellbeing, teamwork and leadership and culture and connections.
- 20 students from Adelaide High School's cricket program as part of their learning program supporting the Sapsasa cricket carnival. They umpired, scored and ground managed 4 ovals each day.
- SACE Stage 1 Self Directed Community Learning was completed by secondary students in both umpiring and coaching at the State Softball Carnival, State Hockey Carnival and State Netball Carnival.
- This year SSSA supported 4 student officials at SSA Interstate Championships - 1 student umpired at the 16 & U Hockey Championships, 2 students umpired at the 12&U Hockey Championships and 1 student took on the role of assistant coach of the SA side at the 16 & U Hockey Championships. All students worked with the qualified mentors and gained valuable skills and experience at each of the events.
- Football (Soccer) and Australian Football student umpire/referees' practical courses were undertaken by schools in the Fleurieu/ Southern Vales with the opportunity to put skills into action at the 5-a-side soccer and 9-a-side football day carnivals.
- At SSA 16&U Hockey Championships hosted by SSSA, Quest Performance ran a session on athlete development and recovery. This was an interactive session where the team members were involved in the warm-up procedures and each team member was given a nutritious snack following the session. All team officials were provided with a link to their website so they could access a copy of their presentation.
- Uni SA continued to offer our events as part of the Personal Learning Plan for Human Movement students with university students officiating as part of their course at many of our events.

Participation:

- The School Sport Australia interstate program for 2023 returned to being spread out throughout the year. This year the 13-19 years teams returned to staying together in accommodation with the aim to reduce costs.
- The secondary girls' softball team won gold at the School Sport Australia National Softball Championships held in Werribee, Victoria. This was a significant win as the last time the team won gold was in 2010 when

the head coach, Lana Kaesler was actually playing in the team.

- The 15 & U boys touch team had to be withdrawn from the 2023 championship as no team officials applied for the position despite being advertised on 2 occasions and Touch SA approaching individuals.
- For 2023 entered an interstate diving team and with the change in age groups for the basketball to 16&U a team was entered in both the boys and girls basketball championship.
- Gender diversity and inclusion in our program was part of our PD day in May with Yvonne Kranixfeld DfE Policy Officer Diversity and Inclusion Engagement helping establish students involvement.
- Regional events were added to the students with disability program this year, with events in Berri, Kadina and Mount Gambier. These events provided opportunities to 333 students to get involved in basketball, 5-a-side soccer, lawn bowls and gymnastics. The support of the local convenors, Tony O'Connell, Stephen Day, Aaron Smith and Peter Safralidis was very much appreciated. At each event secondary students from Berri Regional College, Grant High School, Kadina Memorial School and Tenison Woods College officiated on the day, providing them with a great learning experience as well.
- School Sport Australia 16&U hockey was hosted in mid-August 224 student players, 11 student umpires and 35 team officials attended.
- School Sport Australia 12&U Boys and Girls Softball was hosted in November 126 student players, 8 student umpires and 25 team officials attended.

Promotion/Partnerships:

- MoUs were signed with AFL (Crows' Cup) Aus Cycling, Baseball SA, Bowls SA, Diving SA, Football SA, Hockey SA, SACA, Tennis SA and Volleyball SA.
- SACA through our MoU advertised and funded the appointment of the coaches for the 12&U boys and girls cricket teams. This resulted in an increase in applicants for these positions.
- Live streaming by Kommunity TV (News Corp) took place at the boys and girls Sapsasa Australian Football and the netball carnival.
- Newscorp partnered with the School Sports Awards with the final awards night being held at Keith Murdoch House on Wednesday 22 November. Joe Szakacs MP attended on the night on behalf of the Minister of Education and brought a photo of himself as a former recipient of a monthly sports awards when the School Sports awards was the Messenger Awards. There were over 110 entries. An increase from 2022.
- Olympics Unleashed athlete Travis Mahony presented medals at the Sapsasa Swimming Championships and Jess Stenson presented medals at the Cross Country Championships.
- SESF granted 21 x \$1000 scholarships to deserving students in our interstate program, an increase of 10 from 2022. There were 109 applicants from SA which shows the financial difficulties currently faced by families to enable their children to compete.
- SACE volleyball days at the Lights were again very successful with 23 schools bring 54 teams. Schools again used this event as part of their Stage 1 and 2 PE assessment utilising the overhead video cameras and dedicated app to assess specific aspects of the curriculum. Feedback from the schools is that they find this day invaluable in providing authentic opportunities to develop and assess students' skills and knowledge.
- The SSA 16&U Hockey Championship was held in collaboration with Hockey Australia and Hockey SA. A special thank you to Mark Hager Hockey Australia's National Athlete Pathway Program Technical Lead who presented trophies at the closing ceremony.
- The School Sport Australia 12&U Softball was held in partnership with Softball SA, a special thank you to James Harris for his support in providing the venue and infrastructure and to Kevin Tannebring and Steve Wallace-Yarrow as our umpire mentors and chief technical officers.
- Special Olympics and Variety SA The Children's Charity in partnership with SSSA, financially supporting all SWD events to keep them free of charge to all schools involved.

Collection of data and evidence-based research is important as we continue to work to influence educational policies and funding decisions at the local, regional and state levels. Demonstrating the benefits of school sport can certainly help advocate for greater investment in school sport initiatives. Once again thank you to convenors

and staff for collating this enormous amount of work.

School Sport SA continues to provide high quality experiences for students, helping to build school communities through social inclusion and a sense of connectiveness. Forming friendships and a sense of belonging are powerful reasons why students become involved and school sport aims to encourage an active lifestyle beyond the classroom. This could not happen without a dedicated, hardworking and collaborative group of staff. Their unwavering commitment to excellence and their ability to overcome challenges are truly commendable.

Andrew Cousins – SSA Service Award

Andrew's first involvement with School Sport Australia (SSA) was in 2012 when the championship was hosted in Adelaide to coincide with the Sapsasa Centenary Championships. Up until then, South Australia had not competed since 2008 when the championship was hosted in Melbourne marking the 150 Years Celebration of the commencement of Australian Football. He has been the team manager/tour manager from 2012-2014 and again from 2018 to the present day. In between these 2 stints he took on the coaching role from 2015-2017.

Andrew's involvement in Australian Football has been appreciated by both School Sport Australia and School Sport SA (SSSA) as he can be relied on to handle all aspects of managing. At the School Sport Australia championships Andrew has been responsible for managing the students as well as ensuring the smooth running of all aspects of the team. This requires careful planning and Andrew has handled this effortlessly. Without Andrew's commitment and generosity, the teams that he has managed and coached would not have had such successful and terrific experiences.

Andrew is a great mentor and coach for the students that he teaches and manages. His open, friendly manner when communicating and interacting with students along with his enthusiasm readily makes everyone want to be involved. He relates exceptionally well with the players, parents and team officials as well as the team and host state officials from the other states and territories.

Andrew's expertise in Australian Football has been invaluable and he is readily available to share his knowledge with the students he mentors and the team officials he supports. Finding people like Andrew that are willing to put back into junior sport is a rarity and his involvement is greatly appreciated.

School Sport SA commends Andrew for his involvement in Australian Football at the school and state levels. Andrew is an asset to SSSA, to the students that he has influenced and to the team officials that he supports. He has had a significant influence on making the sport an enjoyable experience for all those involved around him. Hearty congratulations are extended to Andrew on being presented with the School Sport Australia Service to Sport Award and he is sincerely thanked once again for his commitment and dedication.

Howard Mutton Awards

Howard Mutton championed the cause of increasing participation of young people in Physical Education and Sport in education department schools for more than 20 years. In his roles and as President of SASSSA, head of the Phys Ed Branch and Superintendent of Health and Physical Education, he was a mentor to many aspiring young sports people and particularly influenced the training of physical education teachers.

He was passionate about the social value of involvement in sport and believed that there was a place and a level of participation for anyone who wanted to have a go. He participated himself at state level in cricket as a player and coach and excelled as coach of the state team of the South Australian Amateur Football League for many years.

It is fitting that his legacy is recognised through this award. There are three trophies awarded annually to:

- A metropolitan secondary school
- A country secondary school
- The memorial shield (criteria below)

The metropolitan and country secondary trophies are awarded to schools gaining the greatest aggregate of points for outstanding participation and achievement in sport in School Sport SA's secondary programs.
