School Sport Management Committee

Co-Chairpersons' report

2024 Co-Chairpersons' Report

2024 school sport saw another increase in student participation, which if you read our report in 2023 you would remember poses a significant challenge for the School Sport Office. This challenge is pretty obvious when you consider the staffing budget for school sport is based on a 1998 model of funding and we are now providing over 1000 more events for almost 100 more participants in school sport. The school sport office is also now managing student officials, and how that ties in with their school learning, and in a lot of cases, SACE accreditation.

Opportunities for children in schools outside of the classroom rely so heavily on the goodwill of staff. This is also true for school sport events, whether that be staff in schools, parent volunteers for excursions to sport, match officials, and of course, the School Sport Office staff. The hours of voluntary work the School Sport staff have put into planning, organising and running sporting events has always been high, however, I think we reached an all time high in 2024. Whilst we would like to thank everyone who helps out with school sport, especially parents and volunteers in rural and remote settings who have far more logistical issues than we do in the metro area, we have to acknowledge the extraordinary work of our School Sport staff. Thank you to you all for your dedication to the students of SA and school sport.

The School Management Committee remains responsible for overseeing the programs and events organised for all school children in South Australia. It is a privilege to collaborate with members of the School Sport Office and cross-sector convenors from across the state, all of whom share a passion for school sports. Together, we provide diverse sporting experiences to many students who might not otherwise have access to these activities in their communities.

Oversight of the School Sport Office is provided by Jan Sutherland, Paula Nielsen and Daniel Rankine, who through their varying roles and responsibilities ensure the sporting opportunities for children not just in SA but across Australia are offered and run to a very high standard.

To all the children who participated in School Sport SA events throughout 2024, congratulations. The key aspect is not your or your team's ranking, but your involvement and participation. I often reflect on how school sports influence our students' lives, and it's wonderful that many children view the Day carnivals and statewide competitions as a chance to try something new. These events offer a safe and supportive environment where children can enjoy shared experiences with friends. While community sports also provide this, the unique atmosphere of school sports is particularly beneficial for those new to organised sport. Of course, the school sport pathways also allow students to represent at a higher level, including at interstate carnivals representing SA. Congratulations to all students who represented their school, district or state.

Once again, we celebrated our year of school sport with The Advertiser School Sport Awards at Keith Murdoch House in the city. School Sport SA has enjoyed a long and successful partnership with The Advertiser, and we hope to continue relying on their support in the future. These events are always a memorable evening for many young athletes across South Australia, and it's fascinating to hear current elite athletes discuss their journey from school sport to excelling in their chosen fields. This year, we were fortunate to have Jess Adamson interview local sporting heroes, Amy Boyle Carr Adelaide Crows AFLW, Brooke Smith Adelaide Crows AFLW, Emmerson Filsell SA rep in the Women's National Cricket League and Jason Sangha, Australian U19 Cricketer, sharing their stories and memories of their time in sport.

School sport is alive and well in South Australia. The continued success of the school sport program will rely on increased funding for the School Sport Office. This will be a major challenge for the Management Committee and

Office staff to overcome in 2025. The continuation of so many events for so many students relies on this additional funding to help staff the significant increase in events. To use a sporting analogy, this will be another hurdle to overcome next year!

Thank you for all your support, and may all children get to participate in their chosen sport at school.

School Sport Team Leaders' report

By the end of 2024, School Sport SA has made positive strides towards securing funding, but there is still significant work ahead to ensure sustainable and increased financial support for school sport programs.

Staffing for 2024 was the same as 2023: Daniel Rankine continued in the STL2 Assistant Team Leader position and Wade Hall, Jared King, Marni Nicholls and Daniel Hornhardt continued as 1.0 STL1 School Sport Officers with David Murray as the 0.4 School Sport Officer. Paula Nielsen (STL3 Team Leader), Sophie Common (ASO4 Senior Site & Communication Officer), Fiona Brennecke (ASO4 Senior Finance Officer) and Matthew Campbell (ASO2 Administration Officer – Program Support) continued in their positions. Fiona reduced her time to 0.8 as she looks to transition to retirement.

Andrew Gormlie was again appointed to a temporary 2024 1.0 School Sport Officer position which was put in place to support the increase in programs. This would not be sustainable going forward so funding needs to be sourced within the department. Francoise Maher was rolled over into the ASO2 Administration & Finance Support Officer. Francoise resigned from her position in mid-year and we thank her for her hard work as a valued team member.

This year funding was made available to all of the country zones convenors to support the year 7s in high school – 8 TRT days each zone. Further to this, new convenors were given 8 days to support their induction into the role and all districts were provided an additional 4 TRT days to support the regionalised sports of Hockey, Girls Cricket and Boys Netball.

School Sport SA remains deeply appreciative of the positive impact and generosity shown by our dedicated district, zone, and regional convenors. Their tireless work behind the scenes, in collaboration with school sports coordinators and teachers, plays a vital role in ensuring the smooth delivery of school sport across all levels. The Professional Learning Committees (PLCs), led by STL1 staff, have continued to foster ongoing learning and

collaboration among convenors, contributing to enhanced outcomes for students in our schools.

Rod Nancarrow was appointed as the Executive Director of Curriculum and Learning, under which Curriculum Programs is positioned. His strong background in sport ensures that sport continues to have a valued voice in educational discussions. Tracey Davies continues as the Director of Curriculum Programs and chair of the School Sport Committee which met on four occasions in 2024.

The main priorities of the committee this year were:

1. Investigating option to increase funding and more formal discussion with CE and COO.
2. Assisting with development of concussion protocols for sporting events.
3. Discussion on the dominance and promotion tool of sporting achievement used by non-government school to attract students particularly in country areas.
4. Reviewing camps and excursions sport and adventure standards.

The School Sport Management Committee convened four times in 2024, overseeing both the strategic direction and daily operations of School Sport SA. Aside from the request for additional funding to run the School Sport SA fundings, a persistent challenge remains the difficulty in securing finance officers within schools to manage district funds, even when remuneration is provided. This issue required continued discussion, resulting in a decision to implement a pilot project for one year featuring a centralised Finance Officer to manage the finances of 10 districts, assessing the workload required for this scale of management. Transitioning to MYOB Online will make it possible to handle finances remotely. It was agreed that given Fiona Brennecke has the knowledge and wants to reduce her hours so she will be appointed to the role of District/Zone Finance Officer 3 days per week in 2025.

Iain Elliott and Clayton Disley (SSMC co-chairs) continued to work hard to advocate for increased funding from the department through their representation on both SAPPA and SASPA respectively. The involvement of current co-chairs, convenors and teachers on our committee, who bring valuable school-based knowledge and generously volunteer their time, is vital to ensuring that school sport remains relevant and accessible to all schools.

A SUMMARY OF ACHIEVEMENTS AND KEY ISSUES FOR SCHOOL SPORT IN 2024:

Teaching & Learning:

- A very successful inaugural SSSA Convention was conducted in week 3 which centred on major issues with an opportunity for 15 State Sporting Organisations to speak with 130 teachers about how they can assist them with their HPE/Sports programs. Professor Shane Pill's (Flinders University) keynote speech "Conceptualising School Sport with Educative Value" provided evidence of sport linked to academic success and promoted the interconnection between physical activity and student wellbeing outcomes. SASMA conducted a Student Concussion Workshop on recognising symptoms, removing, and referring for a medical assessment and returning to play protocols and management.
- Posters were developed to share with teachers at the convention and to circulate at events that describe the authentic teaching and learning opportunities available through our programs.
- This year for the first time we operated a stall at the International Students Welcome Day, sharing information about our programs that students can participate in.
- The Football (Soccer) Sapsasa carnival had 75 student umpires umpire all matches with mentors engaged to support their development
- School Sport SA staff continue to support State Sporting Organisations who are actively seeking to have their coaching and umpiring courses recognised as SACE accredited community learning.
- School Sport officers, who are accredited SACE assessors, continue to support students in achieving SACE Stage 1 Self Directed Community Learning as either an umpire and coach at the State Softball Carnival, State Hockey Carnival and State Netball Carnival.

- 20 students from Adelaide High School's cricket program as part of their learning program supporting the Sapsasa cricket carnival. They umpired, scored and ground managed four ovals each day.
- This year SSSA supported 7 student officials at SSA Interstate Championships - 1 student umpired at the 18 & U Baseball Championships, 2 students umpired at the 12&U Hockey Championships, 2 students refereed at the 12&U Football Championships, 1 student umpired at the 12&U Softball Championships and 1 student worked as a technical official at the Swimming Championships as part of the SSA Games. Isabella the swimming technical official was selected to read the Student Officials' Pledge at the opening ceremony. All students worked with the qualified mentors and gained valuable skills and experience at each of the events.
- Football (Soccer) and Australian Football student umpire/referees' practical courses were undertaken by schools in the Fleurieu/ Southern Vales with the opportunity to put skills into action at the 5-a-side soccer and 9-a-side football day carnivals.
- Uni SA continued to include our events as part of the Personal Learning Plan for Human Movement students, with many university students gaining practical experience by officiating at a range of our events.

Participation:

- School Sport Australia introduced a SSA Games concept into its interstate program for 2024 which was held on the Gold Coast. Given that a lawn bowls championship was included we worked with Bowls SA to send a team.
- In our agreement with Softball SA we are also in partnership sending a boys 18&U team to the Softball Championships on the Gold Coast. This was not as successful as hoped with our team requiring 5 back up players from Queensland. It was agreed not to continue with the boys team going forward.
- The 15&U girls' Australian football team won gold at the School Sport Australia SSA Championships held on the Gold Coast, this was the first time that SA has won this championship. Congratulations also to the 12&U Boys Cricket and the 12&U Girls' netball teams that won gold at their respective championships.
- Students with disability events continue to grow in popularity with the introduction of Golf, with support from Golf Australia, and the inclusion of primary basketball and 5-a-side soccer events. Two mainstream 5-a-side soccer day carnivals ran each with a division for students with disability making for fully inclusive events.

Promotion/Partnerships:

- MoUs have been signed with SACA, SANFL and Softball SA. An MoU with Bowls SA is currently being developed.
- Newscorp through KommunityTV again partnered to live stream the School Sports Awards, Sapsasa boys Australian football carnival, Sapsasa netball carnivals, Sapsasa football (soccer), Sapsasa girls football carnival and Statewide finals in Australian football, Football (soccer) and basketball. We greatly value this partnership, particularly as it is provided at no cost to School Sport SA.
- The 2024 School Sports Awards Night in partnership with The Advertiser and Sunday Mail was celebrated on 20 November at Keith Murdoch House. Jess Adamson was a superb MC running a smooth and entertaining commentary. Ms Cressida O'Hanlon MP State member for Dunstan represented the Minister for Education and spoke on the night. Thank you to Rod Nancarrow & Tracey Davies who attended on behalf of the DfE. There were over 125 entries. A 10 entry increase from 2023.
- The SSA Diving Championship was held in collaboration with Diving SA and SA Aquatic and Leisure Centre (SAAALC). Sincere thanks to SAAALC management and staff for their generous sponsorship and unwavering support throughout the week — no request was ever too much. Equally, our appreciation goes to the Diving SA technical officials, whose tireless efforts and commitment ensured everything ran smoothly throughout the week.
- SESF granted 16 x \$1000 scholarships to deserving students in our interstate program. There were 141 applicants from SA an increase of 32 applicants from 2023 which shows the hardships currently faced by families to enable their children to compete.

- SACE volleyball days at the Lights were again very successful with 23 schools bringing 480 students. Schools again used this event as part of their Stage 1 and 2 PE assessment utilising the overhead video cameras and dedicated app to assess specific aspects of the curriculum. Feedback from the schools is that they find this day invaluable in providing authentic opportunities to develop and assess students' skills and knowledge.
- Special Olympics and Variety SA The Children's Charity in partnership with SSSA, financially supporting all SWD events to keep them free of charge to all schools involved.

Gathering and analysing of data is crucial in highlighting the positive impact of school sport can strengthen the case for increased investment in school sport initiatives at the local, regional, and state levels. Once again, thank you to the convenors and staff for compiling this significant body of work.

School Sport SA plays a vital role in delivering exceptional experiences for students, fostering school communities through social inclusion and a sense of connectedness. The formation of friendships and a sense of belonging are compelling reasons for student participation, with school sport promoting an active lifestyle beyond the classroom. This success is made possible by a dedicated, hardworking, and collaborative team of staff. Their steadfast commitment to excellence and their ability to overcome challenges are truly commendable, highlighting the value of school sport to the Department for Education.

We extend our sincere thanks to Fiona as she transitions into the District/Zone Finance Officer role. Her dedication over the past 10+ years has been instrumental in the successful management of our finances. We also send our best wishes to Sophie as she prepares to embark on the exciting journey of motherhood.

- After a large return to school sport after covid numbers have settled but still show an increased interest and demand for school sport.
- Summer sport offerings (cricket and tennis) are more popular with male students, along with male sports with larger team sizes means a greater difference between gender involvement. Overall yearly data shows the gap remains steady.
- Student official numbers continue to grow steadily as we support alternative pathways into sport
- Students with disability increase, as a result of additional 5-a-side soccer and ten pin bowling events, the introduction of primary 5-a-side and basketball events plus 3 region events involving year 4-12 students.
- Participation numbers also include state team trial participants.
