School Sport Management Committee

Co-Chairpersons' report

Primary School Sport was established as the South Australian Public Schools Amateur Sports Association (SAPSASA) in 1912. By 1927 most government schools were members – 65 schools with 584 teachers.

SAPSASA began interstate exchanges in 1923 when it joined Victoria, Queensland and New South Wales in their existing Australian football program followed by girls' basketball (now netball) in 1924. In 1949 the Association changed its name from South Australian Public Schools Amateur Sports Association to South Australian Primary Schools Amateur Sports Association to allow all primary school students to be involved in the programs.

Secondary School Sport SA began as four separate associations – the SA Boys Technical Schools Sports Association, the SA Girls Technical Sports Association, the Girls High School Association and the Metropolitan Boys High Schools. In the late 1970's the associations amalgamated and developed a new constitution under the name of SASSSA (South Australian Secondary Schools Sports Association) becoming an incorporated body in 1980.

The two organisations became School Sport SA in 2018, with the Management Committee made up of School Sport SA Representatives, along with Convenors from metro, country and independent schools, along with Principal representatives from primary, secondary, area and special schools. The School Management Committee remains responsible for overseeing the programs and events organised for all school children in South Australia. It is a privilege to collaborate with members of the School Sport Office and cross-sector convenors from across the state, all of whom share a passion for school sports. Together, we provide diverse sporting experiences to many students who might not otherwise have access to these activities in their communities.

In 2025, we saw a long-awaited increase to the funding for School Sport to operate primary and secondary sporting opportunities across the state. The school sport office is also now managing student officials, and how that ties in with their school learning, and in a lot of cases, SACE accreditation. The additional funding has also seen specialist programs such as the highly successful African Youth Football (soccer) Program being run and having a huge impact on young peoples' lives both in and outside of sport and school.

On behalf of the Management Committee, we would like to thank and congratulate everyone involved in school sport in 2025. From parents and school staff who help make participation in come and try days and knock out events, all the way through to inter-state teams and officials who support students and team officials on their journey towards an elite sporting pathway. We have so many people volunteering their time, including those who are also paid to do this work! Our events would not run as smoothly as they do without the additional hours of the School Sport staff, staff in schools, and all volunteers. We cannot thank you to you all for your dedication to the students of SA and school sport.

Oversight of the School Sport Office is provided by Jan Sutherland, Paula Nielsen and Daniel Rankine, who through their varying roles and responsibilities ensure the sporting opportunities for children not just in SA but across Australia are offered and run to a very high standard. School Sport SA is in good hands, thank you Jan, Paula and Daniel, and the rest of the office staff for the exceptional work you do.

To all the children who participated in School Sport SA events throughout 2025, congratulations. School sport is unique in that it fosters involvement and participation in an education setting. I often reflect on how school sports influence our students' lives, and it's wonderful that many children view the knockout competition as a chance to try something new. These events offer a safe and supportive environment where children can enjoy shared experiences with friends. While community sports also provide this, the unique atmosphere of school sports is particularly beneficial for those new to organised sports. Of course, the school sport pathways also allow students to represent at a higher level, including at state carnivals representing SA. Congratulations to all students who represented their school, district or state.

Once again, we celebrated our year of school sport with the Advertiser School Sport Awards at the Advertiser building in the city. School Sport SA has enjoyed a long and successful partnership with the Advertiser, and we hope to continue relying on their support in the future. These events are always a memorable evening for many young athletes across South Australia, and it's fascinating to hear current elite athletes discuss their journey from school sport to excelling in their chosen fields. This year, we were fortunate to have Jess Adamson interview local sporting heroes, Alex Ballard & Charlie Parker (Sturt FC) Courtney Neale (SA Scorpions) and Matthew Glaetzer (4-time Olympian) sharing their stories and memories of their time in school sport. School sport is alive and well in South Australia. Thank you for all your support, and may all children get to participate in their chosen sport at school.

School Sport Team Leaders' report

In 2025 the Department for Education has provided significant funding to enhance the delivery and reach of school sport across South Australia. This investment has enabled School Sport SA to expand its workforce through the employment of additional staff, strengthening its capacity to support convenors and schools and increase student participation. The funding underscores the Department's commitment to fostering equitable access to quality sporting opportunities and ensuring that more young people can engage in structured, inclusive, and well-supported sport programs.

In addition to expanding overall capacity, the funding has supported the appointment of several targeted roles designed to address specific participation needs. This includes a School Sport Inclusion Officer, dedicated to increasing opportunities for students with disability by strengthening inclusive practice, supporting schools, and ensuring that school sport environments are accessible and welcoming. A School Sport Officer has also been appointed to oversee the *Empowering African Youth Football Program*, leading the design and development of a Year 7–9 South Australian curriculum to underpin the program and coordinating its implementation across pilot sites.

The investment has further enabled the expansion of an existing School Sport Officer role from 0.4 to 1.0 FTE, allowing a stronger focus on increasing participation for country students, improving access, and strengthening regional engagement. An additional School Sport Officer has also been employed to maximise curriculum-connected learning through school sport, ensuring alignment between physical education, curriculum outcomes, and participation pathways. To support the growing operational demands, an additional administration staff member has also been appointed to assist with the interstate program and provide support to the finance officer.

The School Sport Inclusion Officer was filled by Daniel Hornhardt, the Empowering African Youth Football Program Officer, filled by Jared King, and the School Sport Officer focused on Curriculum-Connected Learning, filled by Emily Saint-Bowman. To maintain continuity, Mel McGie from Seaton High School commenced in a School Sport Officer role backfilling Daniel Hornhardt, while Andrew Gormlie backfilled the Empowering African Youth Football Program role during Jared King's release. Administrative capacity was also strengthened, with Patrick Neal-Bullen appointed to provide additional support to the interstate program and finance operations.

Several staff continued in their established roles, ensuring stability and expertise across the team. Paula Nielsen remained in the STL3 Team Leader position, supported by Daniel Rankine as STL2 Assistant Team Leader. Wade Hall and Marni Nicholls continued as 1.0 STL1 School Sport Officers. During Term 1, Wade Hall accessed patterned long service leave; his role was initially backfilled by Andrew Gormlie for two days per week. When Andrew transitioned to backfilling Jared King in the Empowering African Youth Football Program, Sandra Moran stepped in as a TRT to continue the backfill for Wade. With Fiona Brennecke taking on the 0.6 District/Zone Finance Officer role, the organisation welcomed Diana Green into the Senior School Sport Officer position. Sophie Common welcomed baby Dylan during the year, with Chad McCaffrey undertaking the Senior Site and Communications Officer role for the duration of her leave. Matthew Campbell continued in his role as ASO2 Administration Officer – Program Support, providing ongoing operational support across School Sport SA.

School Sport SA continues to hold in high regard the significant contribution and generosity demonstrated by our dedicated district, zone and regional convenors. Their sustained efforts, carried out largely behind the scenes in partnership with school sport coordinators and teachers, are fundamental to the effective and consistent delivery of school sport across all levels of participation.

The additional departmental funding provided extra TRT days, which were allocated across country and metropolitan districts and zones. Each country district and zone received 8 TRT days, while metropolitan districts received 4 days to support the delivery of their programs. In addition, newly appointed convenors were allocated 8 TRT days to strengthen the implementation and impact of their programs.

Tracey Davies continued as the Director of Curriculum Programs and chair of the School Sport Committee which met on four occasions in 2025.

The primary areas of focus for the School Sport Committee this year were:

- Confirmation of ongoing funding commitments and decisions regarding the allocation of financial resources.
- Continuing the review camps and excursions sport and adventure standards.
- Consideration of the redesigned Curriculum and Learning model, including understanding the future placement of Sport and Water Safety within the new organisational structure.
- the creation of a separate bank account for the school district finances to be separated from the operational finances of School Sports SA.

We thank Tracey for her leadership and wish her well as she moves into a new role.

The School Sport Management Committee met four times in 2025, providing governance, strategic oversight, and operational guidance for School Sport SA. Across the year, its work centred on four major priorities:

- Staffing and budget alignment — Ensuring all School Sport SA staffing was formally recognised within the FTE allocation under the 244 budget, strengthening long-term workforce stability.
- Interstate program review — Sandra Moran was supported through TRT funding to conduct a comprehensive review of interstate operations, including policies for appointing team officials, team selection processes, and related administrative practices.
- Country participation strategy — Deidre Fischer received TRT funding to undertake a needs analysis focused on increasing participation among country students. This work included engagement at the Area Schools Principals' Conference and discussions with rural student ambassadors to identify new opportunities for expanding school sport in regional communities.
- Seconded teacher policy concerns — The committee examined proposed changes to the seconded teacher policy, which would have required teachers to return to a school for one year before reapplying for another seconded role. The proposal generated significant concern among staff, convenors, SAPPA, and SASPA, all of whom provided feedback opposing the change. By the end of 2025, the policy had not progressed further.

Iain Elliott and Clayton Disley, in their capacities as co-chairs of the SSMC, continued to provide strong advocacy for enhanced support of school sport through their respective roles within SAPPA and SASPA. The committee's effectiveness is further strengthened by the contributions of its convenors and teachers, whose school-based expertise and voluntary commitment are integral to its work. Their involvement ensures that school sport remains contemporary, equitable and accessible to all schools across the state

A SUMMARY OF ACHIEVEMENTS AND KEY ISSUES FOR SCHOOL SPORT IN 2025:

Teaching & Learning:

- Convenors' Conference — 31 convenors from across SA met to set new goals aimed at boosting student participation and improving student experiences.
- International student engagement — School Sport SA again connected with international students through its Welcome Day.
- SACE community learning applications — Swimming SA and Little Athletics progressed applications for Stage 1 (10- and 20-credits) recognition, with strong program structures likely to meet approval.
- Student officials at national events
 - o 33 student volleyball referees officiated at the SSA 15&U Volleyball Championships, mentored by Olympic referee Ray Harris.
 - o Student umpires/technical officers attended SSA championships in baseball (Perth), swimming (Brisbane), hockey (Bendigo) and football (Ballarat)
- Further SACE alignment work —
 - o Volleyball is finalising its submission for SACE community learning recognition.
 - o Early discussions underway with Sport4All and Athletics SA about aligning mentoring and officiating pathways to SACE.
 - o Swimming SA and Little Athletics await 2026 approval outcomes later this year.

- University partnerships — UniSA continues to embed School Sport SA events into Human Movement students' Personal Learning Plans, giving many students practical officiating experience.

Participation:

- See data information
- In 2025 School Sport SA entered a boys team in the inaugural School Sport Australia 15&U Boys Netball Championships.

Promotion/Partnerships:

- A new MoU with Football SA has been signed, and an updated MoU with SACA is close to finalisation. SACA confirmed it will continue funding coaches for the 15&U boys and girls teams but will cease funding for the 12&U teams following a Cricket Australia directive.
- NewsCorp, which has provided free live streaming for over five years, has advised it can no longer offer this service at no cost except for the School Sports Awards. School Sport SA covered a small fee for streaming the Australian Football and netball state carnivals.
- The 2025 School Sports Awards Night, delivered with The Advertiser and Sunday Mail, was held on 20 November at Keith Murdoch House. Jess Adamson hosted, with Hon Blair Boyer MP attending. Rod Nancarrow and Tracey Davies represented the DfE. Nine editorial pieces ran across The Advertiser's print and digital platforms
- The School Sport Australia 15&U Cricket Championship was held at Adelaide University Playing Fields (late March–early April) with SACA support. Due to a bye in the draw, SACA filled the bye and cover the coach's costs.
- School Sport SA partnered with Volleyball SA to support the School Sport Australia 15&U Volleyball Championships by providing essential equipment.
- SESF awarded 34 scholarships of \$1000 each to interstate program students—an increase of 16 from 2024.
- The strong partnership with Special Olympics SA with support from Variety The Children's Charity continues, ensuring events remained free for schools to enter.

School Sport SA continues to play a pivotal role in providing high-quality sporting experiences for students, fostering inclusive school communities and a strong sense of connection. The friendships formed, the belonging students' experience, and the encouragement of active lifestyles beyond the classroom all highlight the enduring value of school sport. These achievements are made possible by a committed, collaborative, and highly capable team whose dedication and resilience are truly commendable. Their ongoing pursuit of excellence underscores the significant contribution school sport makes to the Department for Education.

- Across secondary zone events, School Sport Officers and Country Zone Convenors are including more age groups or teams into day events to cater for the school demand.
- Gender participation gap remains steady at 54% male to 46% female. This is an area of ongoing focus to provide more opportunities for girls.
- Students with disability decrease due to schools having clashes with other school events and inclement weather forcing cancellations.
- Participation numbers also include state team trial participants. Inclusive of government and non-government school students

Acknowledgements

School Sport SA extends its heartfelt thanks to the following individuals who are retiring or concluding their service at the end of 2025. Their dedication has shaped far more than sporting results — under their guidance, students have flourished not only in competition but in character, developing enduring values of sportsmanship, discipline, teamwork, and essential life skills that reach well beyond the sporting arena.

Natalie Carling – SSA Service Award

Natalie's journey with School Sport Australia (SSA) began in 2009 when she was encouraged to take on the role of team manager for the South Australian Cross Country team. She served in this capacity until 2016, demonstrating exceptional leadership and dedication. In 2011, Natalie expanded her involvement by managing the boys' touch football team, once again stepping up to support the team and the coach.

In 2022, Natalie was once again called upon to fill a gap and she eagerly stepped into the role of tennis tour manager. She has continued in this position through to the present, ensuring the smooth operation of the team and providing invaluable support.

Natalie's contributions across cross country, touch football, and tennis have been highly valued by both School Sport Australia and School Sport SA. Her meticulous planning, reliability, and easy-going nature make her an exceptional manager. She is not only a dedicated educator but also a mentor who inspires and supports her students. Howard Mutton Awards

Howard Mutton championed the cause of increasing participation of young people in Physical Education and Sport in education department schools for more than 20 years. In his roles and as President of SASSSA, head of the Phys Ed Branch and Superintendent of Health and Physical Education, he was a mentor to many aspiring young sports people and particularly influenced the training of physical education teachers.

He was passionate about the social value of involvement in sport and believed that there was a place and a level of participation for anyone who wanted to have a go. He participated himself at state level in cricket as a player and coach and excelled as coach of the state team of the South Australian Amateur Football League for many years.

It is fitting that his legacy is recognised through this award. There are three trophies awarded annually to:

- A metropolitan secondary school
- A country secondary school
- The memorial shield (criteria below)

The metropolitan and country secondary trophies are awarded to schools gaining the greatest aggregate of points for outstanding participation and achievement in sport in School Sport SA's secondary programs.

All schools that have participated in and given support to School Sport SA programs throughout the year are thanked for their involvement. The following winners are congratulated.

1	Reynella East College	537 points
2	St John's Grammar School	527 points
3	Woodville High School	516 points

A huge thank you to our Championship Convenor, Jeff Healey from Brighton Secondary School, and Student Official Manager, Lachy Abbot from Heathfield High School, for their outstanding work in the lead-up to and during the championship week. We also extend our sincere thanks to the 30 student officials from Brighton Secondary and Heathfield High Schools, along with those who travelled from NSW and Queensland. Your contribution was greatly appreciated by all teams, who valued not having to manage duties throughout the event.
