School Sport Management Committee

Co-Chairperson's report

I write this on behalf of Clayton Disley and myself, as the joint Chairpersons of the School Sport Management Committee, with Clayton representing Secondary schools and myself the Primary schools.

I started my last two reports speaking about the challenges we faced throughout this time. The start of 2022 was again a very hectic time for schools and school sport. Term 1 threw up many challenges for the School Sport Office, but as in previous years, they rose to that occasion and did a fantastic job.

2022 was the first year all Year 7 students in SA were in secondary schools. As a committee, we have been planning of this for a few years, and largely this didn't affect our Sapsasa competitions. The same sports continued on with predominantly Year 6's instead of Year 7's. There was a significant shift for our secondary competitions, with another year level coming in and it basically meant running another suite of year level sports to accommodate this. To highlight how well this was handled by the School Sport Office, they managed this with no additional funding. This was only possible because the SSSA office worked above and beyond what should reasonably be expected of them and I feel it is fair to say this is not sustainable. Given the additional year level competitions that are now necessary, SSSA face a major challenge if we wish to continue to offer school sport opportunities to the thousands of children across the state who love participating in these events. Without additional resourcing this will not be possible.

As I've alluded to already, Clayton and I are in a very fortunate position to work alongside a dedicated and truly professional team who have the sporting interests of students across SA at heart. The amazing work this team has put in over many years, and more so this year, to try and make school sport accessible to all children and equitable to all geographic locations has been immense. I think the School Sport Office will be the first to admit, despite the huge gains in this area, there is still much to do to ensure accessibility for all.

The School Sport SA Combined Management Committee came into effect late in 2020 and having a combined meeting, rather than separate primary and secondary meetings, has proven to be a great way to better inform both groups. Issues in school sport are sometimes only relevant to either Primary or Secondary, but more often than not these issues are the same for both. I would like to thank all of the other members of the committee for their time, effort and support to school sport. It has been a pleasure working with such a committed group of people.

2022 was the third year School Sport hosted its own awards night. This year we held the event at the rooftop of the Advertiser building in the city. I would like to thank NewsCorp for making make this possible. The night was again an outstanding success with school aged children from across the state attending as nominees for various sports awards. It was outstanding to have three elite athletes in Jake Saligo and Jess Waterhouse (Adelaide Crows) and Chris McHugh (Olympic Beach Volleyballer) there to present awards to the winners. Thank you to Jess Adamson for comparing the night, and the Minister for Education, Blair Boyer for attending. Congratulations to our many award winners on the night, I'm sure if you represent your families as well as you did at our award night you will continue to make your parents proud of you on and off the field.

Finally, to all of the children who participate in School Sport SA events throughout 2022, well done. The most important matter is not where you or your team placed, but that you were there and took part. Being part of something, being active, making a commitment to others, enjoying shared experiences, or just getting outside for a while provides so many physical and mental health benefits. School Sport SA is proud to play its part in this and Clayton and I are proud to be a part of that.

Last but not least, to Jan, Paula, Daniel and the rest of the team at School Sport SA, thank you again for the outstanding work you do and the time and effort you put in to make sure school sport is a success.

School Sport Team Leaders' report

In reflection as leaders of School Sport SA we wonder how as a staff we survived the year. The year began with a COVID interruption with no sporting programs to be conducted for the first 4 weeks of term. This resulted in very quickly reshuffling the calendar and assisting Curriculum Programs by creating Learning@Home Physical Activity videos for students. Many hours of work was involved in writing the scripts for the videos and then filming them.

The movement of programs to later in the term was then compounded by the moving of all School Sport Australia interstate championships to the second half of the year. It seemed like every week from late July to the end of the school year there was a championship being held. With the threat of COVID still real, there were very clear risk management procedures put in place with RATs and masks an essential prerequisite to accompany each team. As a result of good practices or maybe good luck, there was not one COVID case in any of our interstate teams.

Year 7s in the high school setting for the first time also resulted in a significant increase in zone and secondary statewide events with the inclusion this additional age group. On top of this the Sapsasa District Championships and Statewide Schools competition moved from a year 6 and 7 age group to year 5 and 6. To manage the inclusion of year 7s in secondary events, without impacting existing events required an additional staff member. The funding for this position was a combination of funds from the SSSA bank account and the movement of funds from Sport and Water Safety. This significant cost is not sustainable and SSSA will look to the Department for Education for additional funding in the future.

Staffing for 2022: Daniel Rankine continued in the STL2 Assistant Team Leader position and Wade Hall, Jared King, Marni Nicholls and Daniel Hornhardt continued as 1.0 STL1 School Sport Officers with David Murray as the 0.4 School Sport Officer. Paula Nielsen (STL3 Team Leader), Sophie Common (ASO4 Senior Site Services Officer), Fiona Brennecke (ASO4 Finance Officer) and Matthew Campbell (ASO2 Administration Officer – Program Support) continued in their positions. With the move of year 7s into the high school setting and year 5s introduced into the primary program, Andrew Gormlie took on the additional 1.0 School Sport Officer position to support the extra programs.

School Sport SA continues to be grateful to the hard work and generosity of time given by the district/ zone/ regional convenors. The Professional Learning Communities (PLCs) were again in place for 2022 with convenors allocated to a committee under the leadership of a STL1 staff members. The PLCs are an opportunity for convenors to seek advice, work collaboratively and establish KPIs. In a year that once again affected school sport programs at all levels everyone from the convenors through to the sports coordinators and teachers in schools just made it happen and we are indebted to them.

School Sport SA continues to sit within Curriculum Programs with Tracey Davies as the Director. Her role continues as the chair of the School Sport Committee which met on 3 occasions in 2022.

The main priorities of the committee this year were:

- Engagement with Internal and External Stakeholders including School leaders' associations.
- School Sport Structure 2022 – 2024
- Year 7 – HS and Implementation of changes in School Sport programs
- School Sport Improvement Plan Review and Endorsement

SA Secondary Principals' Association Representative David Harriss was replaced by Clayton Disley (Reynella East College)

In 2022 there was a change of secondary chairperson for the School Sport Management Committee, with David Harriss moving into Corporate he could no longer continue in the role. We thank David most sincerely for his support not only over the last year but also his many, many years involvement in School Sport SA. Clayton Disley (Reynella East College) was appointed to the role of secondary chairperson by SASPA. Thank you to both Clayton and Iain Elliott who continues in the role. Both Clayton and Iain bring expertise in sport particularly at the school level and both are passionate about the values that sport brings.

The School Sport Management Committee met on 4 occasions in 2022 providing leadership and advice on policy and the operations of School Sport SA. This committee of volunteers spend considerable time on strategic planning, budgeting, and oversight of the School Sport SA program. It is invaluable to school sport that we have Principals and teachers who are working directly in schools to provide insight and direction for the future of our program. They have been working hard to consider opportunities to increase the funding for staffing from within the department.

Procurement processes were conducted for photography, merchandise and interstate uniforms. With the intrusion of COVID to the interstate program with no competitions held in 2020 and 2021, the interstate uniform tender was extended for Trend Sportswear for 2023. The other two tender processes were completed with Sports in Focus again winning the photography contract and Viva Global a new company to School Sport SA winning the merchandise tender.

A SUMMARY OF ACHIEVEMENTS AND KEY ISSUES FOR SCHOOL SPORT IN 2022:

Teaching & Learning:

- 20 Marryatville HS students completing a 'sport industry' course officiated at triathlon.
- SACE Stage 1 Self Directed Community Learning was completed by secondary students in both umpiring and coaching at the State Softball Carnival, State Hockey Carnival and State Netball Carnival.
- With the restart of the SSA Interstate Championships SA sent student umpires to the 16&Under Hockey Championships, the 12&U Hockey Championships and the 12&U Netball Championships. All umpires worked with the qualified mentors and gained valuable skills and experience at each of the events.
- Soccer student referees' practical course was undertaken by schools in the Fleurieu/ Southern Vales with the opportunity to put skills into action at the 5 a side Zone competition.
- Olympian Travis Mahony (Olympics Unleashed) attended the surfing championships to inspire the next surfing generation.
- At SSA 12&U Australian Football hosted by SSSA, Quest Performance ran sessions on injury prevention and nutrition for athletes and team officials. This was an interactive session where the team members were involved in the warm-up procedures and each team member was given a nutritious snack following the session. All team officials were provided with a link to their website so they could access a copy of their presentation.
- At the SSA Cross Country championships also hosted by SSSA the Athletes' Education Excursion "Setting Yourself Up to Perform" with SASI athletes: Jess Stenson, Matthew Clark (Olympians), Angus Hincksman (Multi Class Athlete) and Caitlin Adams (World Cross-Country) provided the educational activity.
- School Sport SA run a session and hosted a stall at the Achper SA HPE secondary conference to encourage teachers to use our events as part of their school curriculum. A poster and flyer was developed showing the opportunities that already exist and how schools can link into this. The flyer will be sent to all HPE teachers in the new year, and it includes a QR code that links to our website.
- Uni SA continued to offer our events as part of the Personal Learning Plan for Human Movement students with university students officiating as part of their course at many of our events.
- 21 schools with over 370 students attended the SACE volleyball workshops to capture data and evidence using state of the art technology as part of SACE HPE assessment.

Participation:

- School Sport Australia 12&U Boys and Girls Australian Football was hosted in early August. 275 students and 42 officials attended.
- School Sport Australia Cross Country was hosted in mid-August with 700 students & 600 Athletics Australia participants attending.
- In 2022 there was an overall reduction in events of 21 (1169 in 2021 to 1148 in 2022), mainly due to the significant increase in events held in 2021 to cater for year 6s moving to high school in 2022.
- Overall participation numbers were slightly lower in 2022 (129,916) compared to 2021 140,817 again this is mainly due to the reduced number of events, in particular the large additional state carnivals for the year 6s.
- Gender diversity – all students were welcome into in our program but at this stage there is no current

pathway into School Sport Australia championships.

- SWD carnivals grew this year with the addition of ten pin bowling, cricket and tennis events with hundreds of students taking up these new opportunities.
- A new approach to the metro zone day carnivals was trialled during 2022 to support staff in managing the additional workload associated with year 7s in high school. The added benefit was that it provided schools with access a greater range of dates and venues for each sport resulting in greater uptake of the day carnivals across metropolitan Adelaide.

Promotion/Partnerships:

- Live streaming by Kommunity TV (News Corp) took place at the boys and girls Sapsasa Australian Football and the netball carnival. Kommunity TV also live streamed all games from both venues at the SSA Australian Football Championships resulting in a massive 44565 views for the championships.
- Working with Tennis SA on using age-appropriate equipment at our tennis carnival – green ball for the lower divisions.
- SESF granted 11 x \$1000 scholarships to deserving students in our interstate program.
- Worked in partnership with Diving SA sending a team to the SSA Diving Championships.
- The SSA Australian Football Championship was held in collaboration with Norwood Football Club, Rostrevor Old Collegians FC and Payneham FC with the support of trainees from the SANFL. Angela Foley (Port Adelaide Football Club Vice Captain) spoke at the Officials' Dinner and Sarah Allan and Anne Hatchard (Adelaide Crows AFLW & All Australian players) presented awards at the closing ceremony.
- The School Sport Australia Cross Country was held in partnership with Athletics Australia & Athletics SA. Adam Didyk Pathways Transition Lead | SA Performance Advisor at Athletics Australia spoke at the Officials' Dinner.
- Special Olympics and Variety in partnership with SSSA are financially supporting all SWD events so students do not pay. The SWD cricket carnivals was run in partnership with SACA and was a very successful and well-run event.
- The School Sports Awards in partnership with The Advertiser and Sunday Mail had over 90 entries which was considerable given the very short timelines. The Final Awards were presented at Keith Murdoch House on 14th December and was live streamed on advertiser.com.au. Minister Blair Boyer attended to assist with presentations.
- SACA have agreed to fund the appointment of the coaches for the 12&U boys and girls cricket team for 2023. An interview process with conducted with greater numbers of applicants applying.

Once again, the end of year celebration was unable to proceed due to the pandemic and restrictions still in place within the department. Life membership was bestowed upon Steve Lubcke at the Sapsasa Australian Football Carnival. We thank Steve for all the work over many years supporting school sport and in particular his passion for Australian football and his outstanding contribution to the Sapsasa Barossa & Light District.

We are constantly impressed by the hard work and dedication of all staff within the school sport unit who work tirelessly to support each other to provide outstanding sporting opportunities for students in our schools. The pandemic once again posed a challenge for the year but nothing that could not be overcome by this team.

Data interpretation

Participation comparison

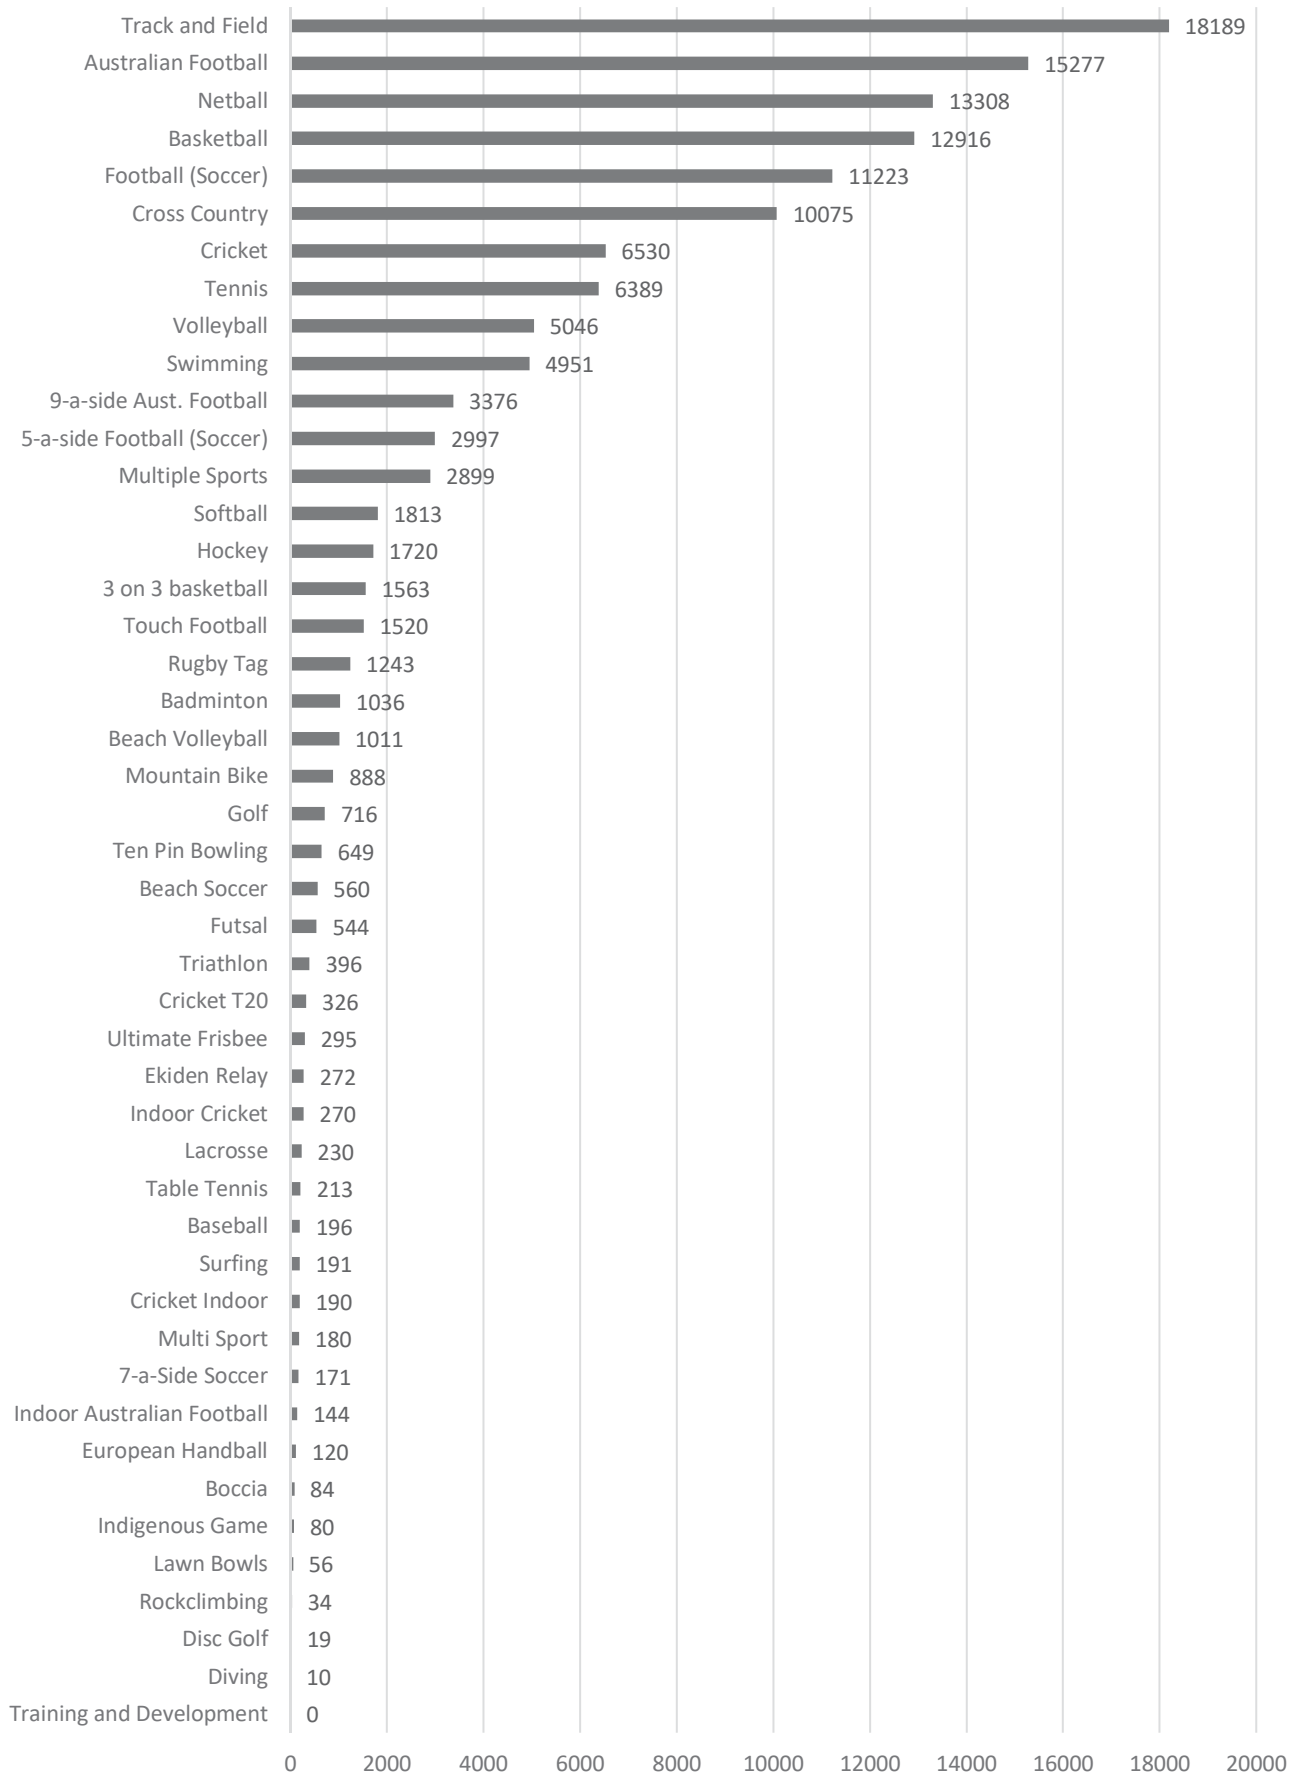

- Due to the year 7 to high school transition, additional year 6 competitions were held to cater for students who would not have had the opportunity to participate as a year 7 student.
- In 2022 SSA competitions have been included with the final team numbers only, no trials.

Life membership

Steve Lubcke

Steve has been involvement in school sport in particular Sapsasa District Representative sport for over 30 years.

He began in the District Secretary role for the Salisbury West area whilst teaching at Parafield Gardens Primary School. When he moved to the Barossa Valley to take on the PE role at Tanunda Primary he once again volunteered his time to be the District Secretary for the Barossa & Light area. Both these positions at the time were volunteer roles as there was no release funding for District Secretary positions. Steve stayed in the role of Barossa & Light District Convenor for 16 years. There was even a cameo when he returned to the position recently and as expected he slotted easily into the role.

Whenever a coaching or managing position could not be filled Steve was quick to take on that role. At one stage or another he coached/managed virtually every sport – Australian football, hockey, cross country, swimming, athletics, cricket and tennis just to name a few! His first love has always been the Australian Football hence his long term involvement in this carnival with this previously being acknowledge with a service award.

When Steve stepped aside from the role as secretary/convenor he became the District President. In this new role, his expertise has been invaluable to those who came after him, sharing his knowledge and supporting while still continuing to coach/manage when needed.

Steve has always had students at the forefront of his thinking, ensuring that they all had the opportunity to experience a fun and well organised event. By introducing local events years ago which still happen today, he worked hard to give lots of students the opportunity to experience the virtues of school sport.

School Sport SA commends Steve for his involvement in school sport and in particular Sapsasa District representative sport over many years. As can be seen, Steve is a dedicated, tireless worker and supporter of all things school sport. Given this, he is an asset to School Sport SA and he has had a significant influence on making school sport an enjoyable experience for all those involved.

Hearty congratulations are extended to Steve on being presented with Life Membership, he is sincerely thanked once again for his commitment and dedication.

Steve was presented with his Life Membership during the Australian Football Sapsasa State Carnival by Paula Nielsen (Team Leader).

Howard Mutton Awards

Howard Mutton championed the cause of increasing participation of young people in Physical Education and Sport in education department schools for more than 20 years. In his roles and as President of SASSSA, head of the Phys Ed Branch and Superintendent of Health and Physical Education, he was a mentor to many aspiring young sports people and particularly influenced the training of physical education teachers.

He was passionate about the social value of involvement in sport and believed that there was a place and a level of participation for anyone who wanted to have a go. He participated himself at state level in cricket as a player and coach and excelled as coach of the state team of the South Australian Amateur Football League for many years.

It is fitting that his legacy is recognised through this award. There are three trophies awarded annually to:

- A metropolitan secondary school
- A country secondary school
- The memorial shield (criteria below)

The metropolitan and country secondary trophies are awarded to schools gaining the greatest aggregate of points for outstanding participation and achievement in sport in School Sport SA's secondary programs.

All schools that have participated in and given support to School Sport SA programs throughout the year are thanked for their involvement. The following winners are congratulated.

1	Henley High School	512 points
2	Adelaide High School	496 points
3	Brighton Secondary School	473 points
