

Food Beats

Other people, other people,
Everywhere I see.
Lots of other people,
Who do not look like me.

Who are these other people?
So much I want to know.
I'm not sure how to talk to them,
But I'll give it a go.

I know what I can say!
I know where I can start!
I'll ask them something easy,
Something a-la-carte.

What does your family like to eat?
And do you like it too?
There's lots of foods I like to eat,
But now it's over to you.
