

Changes to Edujobs (previously known as DECDjobs) effective 6 April 2018

- [Job Seeker Account \(New Feature\)](#)
- [Attachments](#)
- [Department name change](#)
- [Employment declaration](#)
- [Employment history](#)
- [Location updates](#)
- [Qualifications](#)
- [Subject, major functions and skills update](#)

	Enhancement	Reason	First actions you need to take
1	Location updates	Implementation of the new Portfolios and Partnerships	Applicants will need to check that their preferred locations are still accurate for where they want to work. Online Help links: Teacher and Ancillary
2	Subject, major functions and skills update	Updates have been made in consultation with the AEU in relation to the National Quality Framework and SACE.	<p>These subjects and skills have been removed from the SACE Curriculum for 2019.</p> <p>Subject - Online Help Teaching Subjects and Teaching Expertise</p> <p>CS - Classical Studies WD - Work Education</p> <p>FZ - Families Studies HQ - Health and Professional Development</p> <p>ME - Electronic Media SF - Sustainable Futures</p> <p>IF - Information Technology renamed Digital Technology</p> <p>Skills - Online Help Teaching Skills</p> <p>AA - Adult learning OC - Distance Education</p> <p>A new major function has been added</p> <p>SSOMF -SR Competent Data Management</p> <p>Online Help Ancillary Major Functions and Skills</p>
3	Employment declaration changed to pre employment Declaration - Online Help pre employment declaration	The pre employment declaration is now the same for all government agencies.	<p>Your previous answers have been mapped to the new format. Check that the answers are correct.</p> <p>Once you have completed the pre employment declaration you will not have to do it again unless the answers change.</p> <p>Applicants need to answer the pre employment questions for ETR and EAR registers and for ALL advertised vacancies.</p> <p>The information you provide will be reviewed if you are applying for the ETR or EAR register or if you are employed or recommended for employment.</p>
Submit your online application again if you have made any changes.			

	Enhancement	Reason	Information and possible actions you may wish to take
4	Job seeker account has been expanded to include all questions which are consistent across different application types.	<p>The screens which are now in the job seeker account are:</p> <ul style="list-style-type: none"> personal details and attachments employment history qualifications certificates pre employment declaration (not PTR or APR) 	<p>Applicants:</p> <ul style="list-style-type: none"> who already have an application in EDUjobs need to update one of these five screens for their application to change to the new format will only need to complete this information once and it will appear in all future applications as required only need to update this information once if their situation changes, either in the application you are completing or the job seeker account you do not need to complete an ETR or EAR if you only want to apply for advertised positions the pre employment information you provide will not be reviewed unless you are applying for the ETR or EAR register or if you are recommended for employment and employed.
5	Attachments		<p>Please Note:</p> <p>Attachments will only appear in your library if you selected to store them in your library in the old format, otherwise the attachment will only appear on the application to which they are attached.</p> <p>In the updated system all relevant attachments in your latest application will also appear in your job seeker account.</p>
6	Qualifications	No qualification headings on attachments	No Action:
7	Employment history		<p>Please Note:</p> <p>Mandatory to have one row at least in employment history.</p>
8	DECD and Department for Education and Child Development	Change of name	Department for Education
